Price List No. 6614

Revised November, 1944

This list supercedes all previous price lists

The Parker Pen Company
Janesville, Wisconsin, U.S.A.

For Faster and Better Service

When following the instructions outlined below we will be in a position to handle your repairs faster.

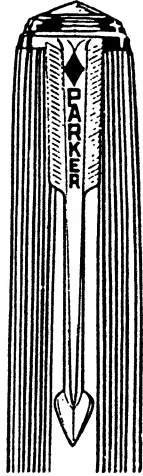

Please tie a string tag to the clip of the cap of each pen and pencil giving the dealer's name, dealer's job number and the customer's name and the date sent in for our service.

Include in the package a packing slip listing items returned. The package should be wrapped and tied securely. On the outside attach a letter giving complete instructions regarding all the repairs.

If inquiries are necessary regarding other merchandise, such as pens, Quink, leads or erasers, please write us a separate letter. Do not mention these items in the letter about repairs.
